I am a working disabled actor in Boulder Colorado. Locally I perform with the Longmont Theatre Company. Breathing issues that require supplemental oxygen and a walker for scoliosis have made it difficult to find work. I am hoping my disabilities might be an asset in playing Ruth in Pirates of Penzance. I am not interested in playing more than her role, but I have been a blogger for fifteen years and have multi media skills that could be used instead of playing several different roles in various shows. I could set up a podcast, interview patrons, the cast, the directors, and use my social media skills to really increase the festivals web footprint. I also am a wordpress designer and could design a really great blog on that platform for Utah Shakes.

## Work Experience

### **Entertainment Director**

Simon Fest Theatre Company

Cedar City Utah

I started this professional performing group tied to Simon Fest. I also set up their blog and worked as social media person for several years. I edited many videos that were used in advertising and to promote the shows on the internet.

### **Artistic Director**

Kimber Academy

Cedar City Utah

I directed a group of beginners in two productions of A Year with Frog and Toad Kids. The parents were thrilled with my minimalist weekly rehearsal schedule and focus on building triple threat skills over getting lost in the weeds of costuming and scenery.

### **Actor/Ensemble**
